How Long Have You Worn Those Glasses?

Here is an important question for you. Many people continue the use of glasses that are no longer of benefit. A glass worn too long becomes a detriment rather than a help. It's a good plan to have an accurate examination of your eyes once every two years.

Riverside League Shows Sympathy

The death of a sister of B. H. Kelekollo, the president of the Riverside Baseball League, is much regretted by the several clubs making up the league. The following resolution was passed at a meeting held last Thursday evening. Mr. M. Gomes of the Kaala Athletic Club presented the resolution, which was seconded by W. Tin Chong of the Chinese Alohas:

Whereas, It has pleased Almighty God to take from us Mary Karratti, Jr., a sister of Bernard H. Kelekollo, president of the Riverside Baseball League; therefore, be it

Resolved, That we, the representatives of the various clubs of the aforesaid league, tender to the said Bernard H. Kelekollo and members of his family our sincere sympathy in their loss; and that this resolution be spread upon the records of the Riverside Baseball League and that a copy thereof be handed to the said Bernard H. Kelekollo.

COUNTRY CLUB'S MEDAL TOURNEY

A medal play handicap golf tournament will take place at the Country Club on Thursday afternoon. There will be two drawings; one at half past one and the other at three o'clock, so that all the members will have a chance to draw.

The first prize is a handsome trophy offered by E. O. Hall & Son.

A good crowd, considering the counter attractions, was out.

Leaves From a Baseball Primer---The Fan

See the man? Is he suffering from a brain storm? No my children. He is the victim of a mild form of insanity known as baseballitis. The affliction appears in a mild form about the time the local team orders its suits in the spring, and the most violent stage is reached at the end of the season when the pennant is in danger. The man is known as a "fan," an abbreviation for fanatic, and can be

found on the bleachers any day in the summer when a ball game is on tap.

Does he work at anything besides baseball for a living? Yes, he makes figures and handles other people's money in a cage, but when the middle of the season approaches and his work commences to interfere with baseball, he will quit his job. Do not bother him. He is trying to figure up the average of a player whose name he has forgotten.

Palamas Beat the Japanese

The two games of baseball played at Aala Park yesterday by the Riverside League teams were witnessed by the usual large crowd of interested spectators. In both games the players did well, as the score will show.

The first game was a hard fight between the sons of Nippon and the Palama A. C. "Jack," the clever pitcher of the Japs, fanned twelve men out, but owing to poor fielding work his side lost the game to the natives.

The second game was well played. In the ninth inning a good deal of excitement prevailed, when the score stood 2 to 3 in favor of the Kaalas. The Alohas have improved a good deal since their last defeat.

The line-ups and scores by innings follow:

JAPANESE A. C. VS. PALAMA A. C.
Japanese A. C.—Maesaka, cf.; C. Wakita, c; J. Flores, p; Yasu, ss; I. Flores, 2b; Michi, 3b; Yamashino, lf; Masa, rf; Junichi, 1b.

OFF THE BAT

Punahou made five errors. So did the Kams.

That portion of the grounds which the shortstop covers is particularly uneven. Many complaints have been made.

The Desha family could pretty nearly start up a baseball nine of its own.

"Doc" was pretty quiet yesterday. "Are you nervous?" he was asked when the Kams tied the core. "No," was the reply, "the game is young yet."

"Talk about your fifth team," remarked an official, "I wonder where they could get the men." This was during the Jewels playing.

En Sue made the only home run.

George Clark was substituted for Foster Davis in the ninth inning. Clark had no time to show if he could do better.

Oimos' suit is the dirtiest worn by any member of the Jewel nine. Clark's is the cleanest. Oimos did the best batting and sliding for the Diamonds.
